Datasheet

Uniblitz® 7M

7-Pin Wire-Pro Male Connector (2 Pack)

Overview

Uniblitz® 7M connectors are 7-pin Wire-Pro male connectors with a hood and cable clamp. They connect to a shutter terminated with their female counterpart, the 7F connector (Wire-Pro female).

Two 7M connectors are included in the set.

Key features

- ✓ Length: 1.38 in (34.9 mm)
- ✓ Fits Uniblitz shutters with 7-pin female Wire-Pro connectors (7F)
- ✓ Two 7M male connectors per set
