Datasheet

Uniblitz® #102

Mounting Ring for the CS65H

Overview

The #102 mounting ring mounts the CS65H series (only) to a flat surface.

The ring attaches to the flat surface with its four 0.120 in diameter holes, and the shutter then attaches to the ring by the #2 housing's rear thread (3.00 in × 40 TPI).

Key features

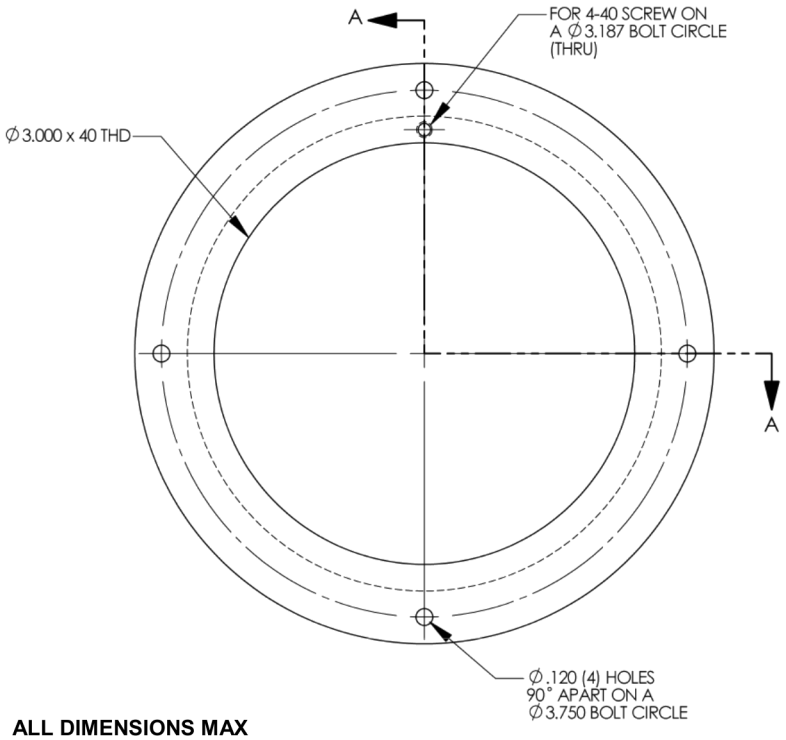

- Mounts the CS65H to a flat surface
- Four 0.120 in diameter mounting holes
- Attaches by the #2 housing's rear thread (3.00 in × 40 TPI)
