Datasheet

Uniblitz® #103

Mounting Ring for the CS90H

Overview

The #103 mounting ring mounts the CS90H series (only) to a flat surface.

The ring attaches to the flat surface with its four 0.120 in diameter holes, and the shutter then attaches to the ring by the CS90H #3 housing's rear thread (4.00 in × 40 TPI).

Key features

- Mounts the CS90H to a flat surface
- Four 0.120 in diameter mounting holes
- Attaches by the #3 housing's rear thread (4.00 in × 40 TPI)

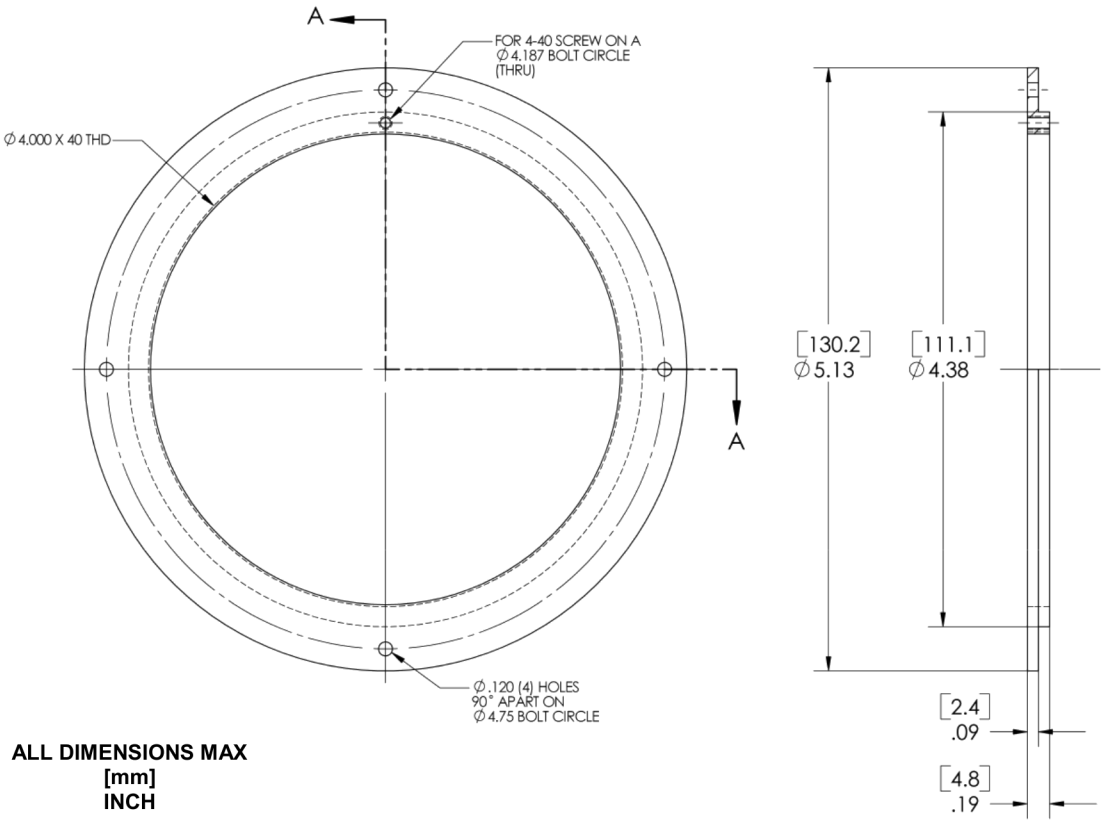

Specifications
